Intensa offers a collection of
Treatment Tables
T O M E E T A N Y N E E D

Tables are offered with an adjustable back or fixed back and with an optional contoured patient surface. Each style of table can have up to two pass-through drawers. All of our tables come in the standard Foghorn Powder Coat Finish and have a weight capacity of 500 lbs. We also offer an extensive collection of vinyls to add color to the treatment tables.

Special Feature

With seamless upholstery for a smooth, easy-to-clean surface, our comfortable foam tops are contoured and curved to the body's natural shape.

Special Feature

Our pass-through drawers can be opened from either side of the table, so you'll always have easy access to supplies no matter where your table sits. Drawer stops add further flexibility, allowing the pass-through drawers to become standard drawers that will not accidentally knock into anything on the other side.
